

CAMPBELL STARTS STATE CAMPAIGN

PHOENIX, Ariz., Sept. 19.—Gov. Campbell left here yesterday in company with other Republican nominees to start the state campaign. The first public meeting will be held at El Paso this evening. This will be addressed by Gov. Campbell, candidate for reelection; W. J. Gallagher, the party's choice for attorney general, and several other state candidates.

Meetings are to be held during the coming week at El Paso, Douglas, Nogales, Tucson, Casa Grande and Pinal, and the trip, which will be made by automobile, will include several short stops to permit the voters to meet the various members of the party.

Sunday the governor will participate in a grand rally at Phoenix, which has been planned as a joint event between the congressional nominees and those for state office. Following this the governor and his party will return to El Paso and will hold a public meeting at the El Paso Hotel on October 4 to permit the governor to go to El Paso, where he will be the guest of honor at the international exposition and military exercises on October 7, which has been designated Arizona day.

Following this the governor will return to Phoenix.

PISO'S
Nicotol
STOPS TOBACCO HABIT

Dr. Conner, formerly of Johns Hopkins Hospital, who has Nicotol in his practice, says: "The terrible craving for tobacco in any form may be quickly overcome by the simple use of Nicotol. It is not a medicine, but a powerful natural remedy in every way and contains no habit-forming drugs. The tobacco user does not quit the habit, but the habit quits him—this desire for tobacco vanishes and the victim is released from the slavery of nicotine, without effort or inconvenience on his part. Read Dr. Conner's full statement soon to appear in this paper."

NOTE—Nicotol tablets are sold in this city under an iron-clad money-back guarantee by all drug stores. Refuse to be deceived. Write to Dr. Conner, 1001 Broadway, New York, N. Y., for full particulars.

Front Porch Idea Is Not New; Apostle Paul Used It

Marion, O., Sept. 19.—Marion church folk were informed yesterday that "the front porch" campaign is not a novelty but in fact dates from the beginning of the Christian era.

According to Rev. George M. Bourke, of Los Angeles, Calif., who preached the morning sermon at the First Presbyterian church, the first front porch campaign was conducted by the apostle Paul.

The apostle, Mr. Bourke said, for two years conducted a religious campaign from the front porch of a rented house in Rome.

SAILOR IS HOME
